COMPETITION FORMAT

We advise alliance stableford or betterball stableford. We discourage scramble drives and do not allow medal competitions. Please contact the Golf Director should you not be sure what format to play as this will have an effect on how many prizes you will need to cater for.

GOLF CARTS

There are 10 golf carts available which can either be paid for upfront by the organiser (in which case the organiser must manage golf cart bookings), or on the players own account. Golf carts are K300 (VAT inclusive).

CADDIES

Once again the organiser may arrange to pay for the caddies or this can be for the players own account. Whatever the arrangement is, all caddy fees are to be paid directly to the caddies. The caddy fee is a basic of K50, plus a tip. (VAT is not included in the caddy fee, as each payment is directly paid to the caddy).
