---

26 MARCH 2020

Dear Members and Bonanza Guests,

Following the President's address to the Nation yesterday, we have made updates to our operating guidelines which were published on 18 March in order to comply with legislation. Please note the following:

- Due to the legislation passed yesterday, the restaurant will be serving takeaway pizza only.
- All pizza's are served as takeaways, if you do opt to eat at Bonanza, please do so following the social distancing guidelines as per 18 March communication.
- Cool drinks, tea, coffee, beer and wine can be purchased from the pro shop on a takeaway basis - no spirits will be sold.
- The pro shop will operate from 06:00 to 18:00. The pizza takeaway service will operate from 11:00 to 19:00.
- The K2 Challenge Cup, Masterpower Match Play tournament and Trophy events have created great comradery between Members and some exciting competition. However it would not be fair on those practising self-isolation to be excluded, especially in the order of merit scenario's. These events are suspended until further notice.
- Normal Saturday competitions and Super 7 par 3 competitions will continue. As per 18 March guidelines, no prize giving will take place.
- Sanitization of all clubhouse areas, the caddy area and golf carts continue to be intense and frequent.

No doubt, we are operating in a time which is difficult for all. Once again we must emphasize that Bonanza is here to support you. Our facility provides you with a wide open, low-risk space in which to relieve some of the stress during this testing time. Apart from golf, we will be publishing 3 different walking routes should you and your family wish to break away and get some exercise with fresh air and scenic views.

As previously mentioned, the circumstances are very dynamic and we will keep you updated with any further developments.

Keep safe, keep healthy.

Charles Jerrard

**Bonanza Golf Course** – Director of Golf
